AMKA AVIATION MAINTENANCE APPROVAL EXTENSION

We refer to your letter of 05th february.2020 requesting for your approved maintenance organisation approval extension, which expired 19th November, 2019.

As you are aware, your application and invoice settlement had challenges and as a result caused delay in scheduling of renewal inspection in time, CAA shall organise and send an inspector to carry out the inspection in the near future. However, cognizant of the need for AMKA aviation AMO to be able to provide the much needed maintenance support to Uganda certificated Air Operators, the CAA has decided to grant maintenance approval extension to your AMO.

The terms of the AMO approval extension is subject to the following conditions:

1. AMKA aviation maintenance, holding a valid maintenance extension issued by UCAA;
2. The AMO extension is limited to that specified in the scope of approval of the approved Special Condition Supplement and SACAA approved maintenance procedure manual.
3. The extension requires compliance with the procedures specified in the AMO approved maintenance procedures manual and
4. The extension is valid whilst the approved maintenance organisation remains in compliance with the Civil Aviation(Approved Maintenance Organisation) Regulations as amended;

Subject to compliance with the foregoing conditions, the AMO approval extension is hereby extended for a limited duration of three months beginning 07th February, 2020 until 06th May, 2020 unless is varied, surrendered, superseded, suspended or revoked .
